Slocomb Tomato-Garlic

The Name:

Slocomb, Alabama is known for tasty tomatoes, even going so far as to declare ourselves “Tomato Capital Of The World” for over 30-years at our annual festival.

Awards & Certifications:

USDA Organic
Certified Grass Fed
Animal Welfare Approved

Our Farm:

We are one of the only dairy farms in the USA that is USDA Organic, Animal Welfare Approved, and Certified Grass-Fed. Our A2 dairy cows graze on green pastures 365 days a year. We never use artificial fertilizers or pesticides and our cows are given herbal remedies but never antibiotics. We cultivate native grasses and the cows love this ‘salad bar in the field.’ Open to the public and operating with full transparency, we bottle all our milk, make cheese, and churn butter here on the farm. Our cream-top milk is minimally processed to maintain its natural goodness and delicious flavor.

Cheese Care:

Open and bring to room temperature for at least an hour before enjoying.

USDA Organic Grass-Fed Grade A milk, culture, vegetable rennet, imported non-GMO dried tomato-garlic blend, sea salt
